

3.5mm Stepped Head Twist Drill - HSS

Part Number: H-11-008-WF070A

SPECIFICATIONS

Size: 3.5 mm
Flute Length: 39 mm
Length: 70 mm
Material : HSS
Finish: Uncoated

SHIPPING WEIGHT: 0.00 Kg

FEATURES

- Stepped head for increased stability in thin materials
- Provides Superior drilling speeds over standard drills
- Fully Ground drill bit for better chip ejection in low carbon, non-ferrous materials.
- 135° split point (3 mm and above) provide good centering properties and requires little pressure.
-
