

Auto Adjusting Crowsfoot Wrench

Part Number: MP001206

© Copyright M Gamer Pty. Ltd. 2023

SPECIFICATIONS

Range: 8 to 32 mm

FEATURES

- This spring-loaded, self adjusting design tightens its grip as force is applied, making it ideal for damaged extraction bolts and pipe work.
- Constructed from high grade Chrome Vanadium (CR-V) steel

SHIPPING WEIGHT: 0.53 Kg
